DIVISIONAL FOREST OFFICE,
SHIMOGA: Dated: 20-3-1970.

The Chief Conservator of Forests,
in Mysore,
B A N G A L O R E.

Sir,

Subj:- Handing over the released area in S.No. 127 of Anapinakatte village, Shimoga Taluk for irrigable cultivation regarding.

Ref:- Your letter No. BS-10-57/60-61 dt. 3-2-70.

=00=

The total extent of S.No. 127 of Anapinakatte is 388=08 Acres, out of which 180-00 acres has already been released to Revenue Department during 61-62 for grant to S.V.H.E.P.Ryots. Out of the area already released, some area is under cultivation and some area is fallow. 10 Acres 30 guntas has been ordered to be released from this Sy.No. to the public works department as that area gets submerged due to construction of Barenalla Tank. The balance area is 197-18 acres in this S.No. and Government in their letter No. AFD 432 FCL 69 dt. 3-10-69 have instructed the Forest Department to handover 197.29 acres to Revenue Department after clearing the tree growth. In this area there is a young plantation of 36 Ac.-03 G. raised in 1966 which has to be retained with the Forest Department as the plantation is immature to exploit now itself. After the plantation becomes mature, we can harvest the plantation and handover the area to Revenue Department at a later date if need be. on the alternative, if the Revenue Department can recover the cost of plantation plus interest from the land grantees, we can handover that area of young plantation to the Revenue Department right now. However, pending decision on the above, the area covered by the young plantation will be retained. An area of about 10 acres in this Sy. number consists of steap area situated towards north-west corner of the Sy. number and this area falls above the left bank channel which has to be retained as Forests only from the Conservation point of view as the same do not fall under irrigable zone and non-cultivable

Hence excluding the young plantation area and the steap area the balance area which can be handed over is 151 Ac. 15 G

Action has been taken to arrange clearance of the malki and the clearance is expected to be completed before 30-6-1970 after which date the area (151 Ac.15 G.) will be handed over to Revenue Department.

Yours faithfully,

Sd/-

Divisional Forest Officer,
Shimoga Division.
